Tucked away in a boutique block of just six units, this single-story Art Deco villa stands out with its impeccable renovation and serene atmosphere. The charming exterior is a prelude to the chic interior, where contemporary style harmonizes with Art Deco features like hardwood floors and an open fireplace, complemented by brand-new ducted heating. The inviting open-plan living and dining area boasts picturesque views and seamlessly connects to the sleek kitchen, equipped with thick stone benchtops, stainless-steel appliances, and white soft-close cabinetry. A generously sized main bedroom leads the way to two additional bedrooms, all featuring built-in robes, while the luxurious sky-lit bathroom offers a shower over bath and a stylish feature vanity with a circular basin, along with laundry facilities. Outside, residents can enjoy the park-like communal gardens, with a monthly gardener included to maintain the lush surroundings. Additional features include communal storage, extra rear laundry space, security doors, and a carport space. This tranquil home enjoys a superbly central location within walking distance to McKinnon and Centre Rd shopping villages, as well as transportation options. Moreover, it's just a few steps away from the Elster Creek Trail, providing easy access to Allnutt Park. ** A REQUIREMENT TO ATTEND THIS INSPECTION IS TO REGISTER PRIOR.
