Centrally located in the inner city suburb of Morningside is this two bedroom two bathroom apartment. The apartment is situated towards the rear of the complex on the first floor and is very private. Entering the apartment, you will immediately notice the open space available in the lounge dining area which flows into a large, covered balcony. These areas are all tiled making cleaning a breeze. Airconditioning of the lounge/dining/kitchen is of course available. The kitchen is extremely practical with a stone bench top which allows seating. Equipped with stainless steel sink, electric stove and cooktop, dishwasher and has excellent storage. The apartment comprises two spacious bedrooms, one with an ensuite and the other with built in wardrobes with access to the large balcony. Both bedrooms also have ceiling fans. The main bathroom is large which includes adequate space for the washing machine. A dryer is already in place and is included in the sale. The building has key access only to the apartment giving that extra security. A single garage place is located under the building giving protection from sun and storms. The complex is located close to all transport routes to the city, shops and restaurants. Schools are also close including Churchie among many others.
