Newly listed in the sought-after suburb of Kings Meadows, this spacious three-bedroom unit is ideal for those looking to downsize without sacrificing space or for first-time homebuyers eager to enter the market. The unit features a generous kitchen and living area, along with well-sized bathrooms, making it notably larger than typical units. Additionally, it offers the convenience of a double garage, a rare find compared to the usual single parking bay, and boasts low-maintenance land that is still ample enough for a small pet.*Peter Lees Real Estate has used a variety of sources to obtain information relating to this property.
