Tucked right at the rear of its spacious group, this sparkling unit presents updated interiors that are filled with light and complemented by a beautiful leafy garden. Peaceful and private thanks to no passing neighbours, the accommodation has been opened up to feature an inviting lounge with warm hardwood floors flowing into a casual meals area and the bright kitchen where stainless steel appliances including a 900mm freestanding oven are a quality inclusion. Able to be closed off from the living areas, both of the bedrooms are well-sized doubles with ample built-in storage, they share a contemporary bathroom complete with bath and stylish floating vanity along with the convenience of a separate WC. The full laundry gives access to the secure garden which is a fabulous space for relaxing, entertaining or simply allowing kids and pets to play safely, while a lock-up garage and access all around the unit are also on offer. Kept comfortable with ducted heating throughout and three split systems, this ready-to-go home is an ideal first home, investment or downsize opportunity. Ideally positioned midway between Ormond & Glen Huntly stations, a walk to cafes & shops and close to bus stops, this sought-after pocket is also just moments to the open greenery & recreation of EE Gunn Reserve. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
