Fantastic furnished property, with a comfortable living area equipped with both a split system air conditioner and a ceiling fan, residents can enjoy climate control no matter the weather. The kitchen and outdoor alfresco area, complete with an outdoor shower, offer plenty of space for both indoor and outdoor dining or relaxation. The three bedrooms, each with ceiling fans, provide comfortable sleeping arrangements, and the renovated bathroom adds a touch of modern convenience. The presence of an internal laundry with an additional renovated shower and toilet adds practicality and convenience, while the single garage and single car parking space within the complex offer secure parking options. The enclosed courtyard with undercover entertaining adds a private outdoor space for gatherings or relaxation. The restriction on smoking and pets ensures a clean and peaceful living environment for all residents.
