Superbly located within a gated complex, with frontage to Caroline Springs Boulevard, on offer is a beautifully appointed, cherished 4-bedroom family home, with multiple living areas, indoor-outdoor entertaining options, and a lifestyle built on comfort and convenience. The picturesque weatherboard facade welcomes you inside to an expansive, open-plan living and dining area, with three dedicated zones across a formal lounge/sitting room, casual family room and informal dining adjoining the kitchen, framed by beautiful picture windows, flooding the spaces with natural light. Stepping outside, the dining area makes a seamless transition to an undercover alfresco deck, perfect for year-round entertaining, plus a covered gazebo, surrounded by low-maintenance, Balinese-inspired gardens. The premium L-shaped entertainer's kitchen is the heart of the home, perfectly equipped for casual meals or lavish parties, boasting elegant stainless steel appliances across a 900mm gas cooktop, oven, and dishwasher, complemented by a walk-in pantry, deep double sink, easy wipe down surfaces, and an abundance of storage throughout. Completing the picture, a large breakfast bar effortlessly creates an informal eating area, place to catch up on life admin, or a buffet for a cocktail-style function. With great regard for rest and rejuvenation, the home's bedrooms are zoned upstairs, with each space set atop beautiful timber flooring. The palatial master suite showcases a walk-in robe, private ensuite and a balcony, while bedrooms two and three are each fitted with a built-in robe. Located just off the landing, a secluded balcony offers the perfect space to wake up over morning coffee. Downstairs, you'll find a flexible space, perfect for use as a fourth bedroom or study for a dedicated work-from-home space. Comprising a total of two full bathrooms across the central upstairs and the ensuite, the main bathroom offers a choice of shower or deep bathtub, while each is fitted with a double vanity and a sleek toilet, creating two serene spaces to get ready for the day and unwind at the end of the week. For ultimate convenience, an additional powder room is located on the ground floor. Other features include double garage with internal access, large laundry, gas ducted heating and evaporative cooling for year-round comfort, and a water tank. Ideally located only a short walk from Federation Way shops and eateries, Linear Reserve walking trails, Brookside Recreation Reserve and P-9 College, while a longer stroll or a short drive will get you to CS Square Shopping Centre, Lake Caroline, Library & Learning Hub, and Westwaters Entertainment Complex. When you need to go further, four bus routes are a short walk from the property, plus Caroline Springs Railway Station and the Western Freeway are within minutes' drive.
