Welcome to this charming family townhouse, where inspiration thrives in every corner. Step inside and you'll immediately be captivated by the front living area, leading your gaze to the serene rear courtyard, bathed in stunning dappled light. At the front of the house, a versatile study area awaits, offering the perfect space for a home office, a tranquil retreat, or an additional living space. Venture upstairs to discover three spacious bedrooms, including a master bedroom boasting a Juliette balcony and a private ensuite. The other two bedrooms are flooded with natural light and feature built-in robes, complemented by a master bathroom equipped with a separate shower and bathtub. Ideally situated near Frankston shops, Monash, TAFE, and transportation hubs, yet tucked away from the hustle and bustle of the street, this townhouse offers the best of both worlds - seclusion from the outside world while being mere steps away from it all, allowing you to tailor your lifestyle to your preferences. Additional highlights include a kitchen with stainless steel appliances, gas cooktop, dishwasher, and range hood, a study nook adjacent to the lounge room, a convenient downstairs powder room, split system heating and cooling, and a single remote lock-up garage. Outside, a private enclosed courtyard awaits with decking and well-maintained gardens, completing this delightful oasis.
