This elegant and spacious townhouse offers easy living in a quiet yet central location. Featuring open plan living downstairs including a large lounge and dining area, kitchen with gas cooking and dishwasher and internal laundry with additional toilet. Three bedrooms with an expansive master bedroom suite upstairs with ensuite, near new carpet and mirrored built in robes. A large double car garage with internal access and a small easy to maintain courtyard are the ultimate additions to a property that is close to the city, schools and local shopping centers. We look forward to showing you through this fabulous townhouse at one of our upcoming open for inspections.
