This is a good deal larger than the average one-bedroom apartment. It sits on the 1st floor of a well maintained block and enjoys brilliant peace from passing traffic in this busy, popular and vital part of our inner city. The block is set at a 'no through road' end of Murphy Street but is smack in the middle of all the sought after Richmond action - Bridge Road with its unending range of shops, cafes, restaurants, pubs plus transport and nearby parkland (including the Yarra). You hardly need a car here but its good to know that there's off-street parking for it for all the times you don't need it. The apartment offers an entry hall linking to an excellent modern kitchen with stone bench tops, stainless steel appliances and a built-in front loader washing machine. The living room is sunny and spacious with split system heating and cooling while the bedroom off here includes built-in robe. A comfortable bathroom with frame-less shower completes the accommodation.
