Walk to the beach, come home to the peace, find garden living and a quiet life in this ground-floor rear apartment. One of just 16 apartments in this highly-sought small-scale group, this two bedroom garden apartment is a quiet achiever with naturally-lit bedrooms around a lightwell atrium, relaxed living angling out to large paved and lawned yard, and a securable rear gate providing additional direct access. Quality appointed with a glossy stone and Smeg appliance kitchen (with integrated dishwasher and a waterfall-edge dining-bench) and a clever two-way ensuite-bathroom (with floor-to-ceiling tiling and mirror storage), this reverse-cycle air-conditioned apartment is secured by video-intercom to the front door, accessed by lift to the basement garage and optioned up with great storage including built-in robes and garage storage. With the bus to stations and Southland at the door, the clifftop walking and cycling tracks just one block away, and bars, baristas and boutiques of Black Rock's booming beachside village within a few blocks, this secluded rear apartment has it all ...including a quiet sea-breeze garden to call your own!
