**\$535,000**

Introducing a charming 2-bedroom apartment with red brick character, nestled at the rear of a small building of only 8 apartments that exudes timeless elegance, dating back to its construction in 1935. Meticulously renovated, this residence boasts a new kitchen, plush carpets through both large bedrooms, and tasteful tiling in the living and kitchen spaces. Step into a home that bathes in natural light, where every corner reflects a blend of classic charm and modern convenience. Stay comfortably cool with the convenience of air conditioning, and relish the seamless indoor-outdoor flow with a beautiful alfresco living area. Additionally, this gem comes complete with a coveted car bay, ensuring both style and practicality. Discover a residence that captures the essence of a bygone era while offering the comforts of contemporary living. Your ideal home awaits. Email agent for floor plan and strata information. This property is sold unfurnished. Property Code: 1451
