Packed full of charm, with a stunning, reserve backdrop and positioned at the end of a small cul-de-sac, this delightful home is packed full of charm and presents a fantastic opportunity for those that are looking for peaceful, picturesque living. A raked ceiling, with exposed beams, sets the scene as you enter and step into the large living room which features a wood fire and offers full view of the stunning reserve vista behind. Keep on walking through to a light filled dining and family room that is adjacent to the kitchen and has direct access to the outdoors. The large kitchen is centrally located to make everyday living and entertaining easy and features thick stone benchtops, a dishwasher, electric cooking and loads of storage. The oversized master suite is air-conditioned, with a WIR and ensuite, whilst the remaining three bedrooms will all accommodate a double bed and have double built in robes, providing great storage along with the triple linen press. The main bathroom has neutral tones with a glass brick feature and separate WC. Without a doubt, one of the best features of this much-loved residence is the beautiful reserve to rear which is home to an abundance of bird life, kangaroos and deer. Sit back on the large, undercover deck in complete privacy and peaceful surrounds and enjoy the serenity that this amazing backdrop provides. When you've had enough of relaxing and want to cool down, jump into the heated, inground pool that is complimented with established gardens and lawns. Double remote garaging, with internal access completes this fantastic package. Located in the favoured school zone and with Lighthouse Beach, golf courses and shopping centres only minutes away, this home needs to be at the top of your search range. Contact Naomi and Kody for more information, a copy of the pest and building report and to arrange your inspection.
