One of the finest examples we have seen of an immaculately cared for home that has been offered for sale in the area. Proudly maintained by the one family since new, this well built and elevated home's light-filled interior currently comprises an entrance hallway accessing three bedrooms (large master) all serviced by a central fully tiled and updated bathroom. Add to this an inviting and super spacious front living room with custom built in cabinetry leading through to the open dining area and adjoining timber kitchen with plenty of cupboards. Additional features include electric roller shutters, ducted heating & refrigerated cooling throughout, large laundry plus a spacious backyard with lovely gardens and a double lock-up garage via side drive. Perfectly located in a quiet court location only moments from the Maribyrnong River it also offers easy access to local shops, Coles Supermarket, Highpoint Shopping Complex, schools and transportation are just around the corner.
