Cute as a button but retaining that beachy charm is this wonderful, two bedroom holiday home situated in a quiet pocket of Venus Bays first estate. A light and bright living area with an open plan kitchen / dining room greets you as you enter the property. Offering a great little kitchen with new stove, a spacious dining area and timber floors. There is a separate lounge room with wood heater and glass sliding door offering easy access to the rear sun deck. As the day ends, this is the perfect place to gather and witness the breathtaking sunset. The sky painted in hues of orange, pink, and purple are often a feature in Venus Bay. Two 'good size' bedrooms offer accommodation for the family. A combined bathroom / laundry and a separate toilet complete the floor plan. A wonderful front verandah drenched in morning sun is the ideal spot to relax with a cuppa and a perfect viewpoint when watching the children play. Outside you will find a flat block approx 613m², a cement water tank, a garden shed and a carport. This cute little holiday house is located within an easy stroll to the Venus Bay village or a little further to the patrolled beach. Cute as a button, well located and priced to sell now, take the time to inspect this weekend. If you have missed the OFI or are unable to attend at that time, please call us for a private inspection.
