This larger family home is to be built in the boutique "Grove Estate" at Brassall. The land is registered and ready to start building. The house has been designed for the larger family - with 4 good size bedrooms, a separate media room (or home office) as well as a rumpus family room that opens out to the undercover alfresco and extensive yard. The kitchen area is a Gourmets delight with expansive bench space, walk in pantry and island bench. There is scope for a shed or caravan awning and extra parking. As this is a house yet to be built - plan changes to suit your specific requirements are possible. You will also have the opportunity to choose the colours, fixtures and fittings to suit your style. You can walk over the lot to get a feel for how great it is and make a time to visit the on-site Information Centre - to view the home in our interactive 3d software. Floor plans and images are indicative only, conceptual in nature and subject to change. Floor plans and images may depict fixtures, fittings, inclusions, furnishings, pools and or other products that are not included in the house design or costings. Property Code: 307
