Located in the Crest Estate, this impressive residence embraces a combination of low maintenance living and high specification finishes that have been carefully considered. The elevated block position benefits from a northern orientation for efficient living and provides the warmth of natural light. At the centre of the home, a crisp, contemporary kitchen with stone benchtops and stainless steel appliances includes an abundance of storage options. The living area features a 'Hamptons' inspired gas fireplace for the cold winter months and seamlessly transitions to the outdoor alfresco with timber decking and built in seating making it the perfect place to entertain. The master bedroom includes triple robe storage and a sophisticated ensuite with quality finishes. Generous minor bedrooms have built in storage and are serviced by the minor bathroom which continues the elegant decor separated by a feature barn door.
