"Feel like every home you've seen is similar? Well, you could be right. But here is the standout. Rarely does a home of this exceptional quality become available for sale!" Let's talk about the location. You're in the heartland of Lakeside - Pakenham's most popular estate. You are walking distance to walking tracks, parkland, shops, Cardinia Train Station and obviously the iconic lake. The location is undoubtedly one of the most preferred locations in the entire Cardinia Shire. But let's talk about the property. From the front letterbox to the back fence, the landscaped gardens are immaculately presented, creating an inviting atmosphere that will immediately capture your attention. Once you step inside, you'll realise that this property is truly special. This updated family home offers a living space that everyone will enjoy and love, offering unmatched character and charm. This lovely property boasts four spacious bedrooms, with the master featuring a walk-in robe and an ensuite with a double vanity. The remaining bedrooms also have built-in robes for ample storage. Additionally, there is a great-sized family bathroom for everyone's convenience. There are 3 living zones including a formal lounge room at the front of the house, a large open plan family room and dining area, as well as a rumpus room or home theatre room at the rear. The central kitchen is the hub of the home, overlooking the family room and featuring a large island bench, plenty of cupboard space, a 900mm upright stainless-steel oven, a rangehood, and a dishwasher. Creature comforts include ducted heating, evaporative cooling, and ceiling fans throughout the property. The larger-than-life laundry even includes a feature wall, and there are quality fixtures and fittings throughout. Additionally, there is a double garage with a remote-control door for secure parking and drive through access to the backyard. Outside this property boasts a 640m² block and features a fully landscaped front and back garden. The amazing undercover entertaining area, complete with a timber deck, is perfect for hosting guests. On top of this is a 4-hole golf putting green and a lawn area! You'll also find a garden shed that's perfect for storing all your tools. The current family has taken great care to ensure that the new owners can simply move in and start enjoying this fantastic property and creating lasting memories just as current owners have over the past 20 years.
