Located in an elevated position on 727sqm, this 3 bedroom + office, 1 bathroom home is the ideal property for a first home buyer or an investor wanting to launch or add to their property portfolio. A spacious living area and a nice kitchen that leads out to the undercover timber deck provides a great space for enjoying a morning coffee or evening meal. The formal dining area, also with access to the undercover deck, provides additional space for the family or friends. Ducted heating in the ceiling ensures everyone will be comfortable. Solar power is also included. All 3 bedrooms are spacious, the main bedroom with built-in wardrobe. The office, accessed via the deck, is a great option for the kid's homework, work from home parents or possibly extra bedroom. Very neat gardens in the front and low maintenance backyard, plus the bonus of a garage, this property offers everything you'll need to live comfortably or secure a nice rental return.
