One word... WOW! From the gorgeous front garden, to the inside of this beautiful home that is very deceptive in size. You walk into the spacious L - shape lounge and dining. The home has three bedrooms and the master has a two-way ensuite featuring a spa bath that is enhanced with lovely heritage tone tiles. The kitchen has plenty of cupboard space and like new cooker and overlooks the casual meals and family room, an open fire features. The heritage tone tile continues in the laundry that is complete with built in cupboards. The rear garden is manicured and lush with green lawn. A paved verandah gives you immediate protection from the weather. The carport with auto doors allows parking for up to three cars, the garage will also house another car. For the green thumbs the tool shed has plenty of bench space. This home has it all, heating cooling, freshly painted and is not to be missed.
