The Regatta boasts an elegant design, built over three levels, perfectly suited to sites that slope sideways across the block. The open and generously sized living areas provide space that is perfect for a busy family with additional options that include a separate lounge room, or office and activity room creating extra spaces for the children and quiet zones for the adults. The large master suite features a stylish ensuite and walk-in robe, with good separation from the remaining bedrooms, providing a relaxing space to unwind. A large, open plan living zone takes in the well-appointed kitchen with island bench and butler's pantry, dining and family spaces with easy access to the rear alfresco area. The upper level provides a private family zone including bedrooms and a family bathroom. A separate lounge is a welcome addition to the larger home, and all come with a double garage. *Price is subject to final contour plan, bushfire (BAL) report & council approval. *Images in this listing are for illustration purposes only.
