...in your real estate journey could be this 3 bedroom, 1 bathroom brick veneer home with double carport on 387sqm (approx). Designed with open lounge, central kitchen, big bedrooms and an outdoor covered area with views towards Croydon, the ease of livability with balanced secure yard space and home size is clearly on show. Externally, a subfloor enclosed room space offers storage ability and creates versatility for those needing one more option. Close proximity to transport, shops and a variety of schools.
