This incredible property is packed with a whole heap of infrastructure, shedding, 2-bedroom unit, pool and a planning permit in place to build your new home! This is a rare find indeed!! Step into your dream lifestyle with Castle Creek on your doorstep at this 6.39 Ha - 15 Acre property (approximately) in a peaceful and private environment. This boutique property offers more than just a stunning landscape and embraces the beauty of established gardens and inground pool, adding to the serenity of your new home once built, and the shed comfortably caters for weekend stopovers until the home is ready to move in. For the equine enthusiasts looking for a well-established property, 5 Castle Drive comes with 2 stables plus an undercover area for the float and numerous paddocks (with the convenience of irrigation available to approximately 7 acres). You'll have everything you need to indulge in your passion. Although the original dwelling unfortunately succumbed to fire, it leaves behind a blank canvas for you to build your dream home beside the inground pool or, alternatively, you might rather imagine yourself overlooking Castle Creek and taking in the breathtaking views every day. Don't miss out on the opportunity to create your ideal lifestyle on the creek only, 20kms South of Shepparton. Your dream home awaits..
