As rare as a Tassie Tiger, we are proud to present the uniqueness that is 5 Caveside Road. The truly picturesque setting and abode gives you the perfect escape from your busy life. Located in the scenic town of Mole Creek with majestic panoramas of The Great Western Tiers and far, far beyond, this retreat is the quintessential studio or weekender, ideal for the artist or writer or perhaps an Airbnb (STCA). Either way, it presents as the ultimate getaway to enjoy peace and tranquillity. We have exciting architectural plans for further development onsite! A flat, short walk will have you at the local shops/services. The township of Deloraine is a short, 20-minute drive away, but we suspect you will never want to leave the peace and quiet. Everything you need is right here - take a break and breathe the fresh, clean air. Rare ones are the best ones so call Craig and Deb for more information or inspection
