This delightful 596 sqm blank canvas is located on the low side of Cherry Hills Crescent, offering an easier build and awaiting its next buyer to create the ultimate family home or holiday getaway in this highly desirable location. Overlooking the ever-popular Links Lady Bay golf course and the waters of Gulf St Vincent, the views are incredible from ground level and would be truly amazing from a second storey. With services ready to connect at the front of the block, your options are only limited by your imagination. Normanville town centre is less than five minutes away, where you'll find local shops, cafes, a supermarket, and other convenient services. The surrounding local beaches are simply stunning and known for their family-friendly waters, perfect for swimming, snorkeling, kayaking, or simply relaxing and watching the world go by.
