Constructed in 2018, this impressive brick home is extremely modern and will have wide appeal to both owner occupiers and investors. In a perfect location, close to all services, this property is not expected to be on the market long. Located on a private internal block along a sole use concrete driveway in popular West Moonah, the property enjoys spectacular views, particularly from the main living areas upstairs. Downstairs features a double garage (with internal access), separate laundry with excellent storage, three good sized bedrooms (all with built-ins and television outlets), the family bathroom (with separate shower and bath) and a second living area or fifth bedroom which opens out onto a deck which leads into the secure easy care back yard. All bedrooms are carpeted while heavy traffic areas have easy to clean flooring. Carpeted stairs lead up to a terrific open plan living, kitchen and dining area which is the heart of the home. Light and bright with room for a massive dining table, this is a stylish and comfortable space to enjoy family living. This area opens up onto a second deck which is an excellent spot to cook up a barbie or sip on a drink and soak in the view. Upstairs is also home to the master bedroom, with walk in robe and ensuite bathroom. There is also a separate powder room tucked away off the living area. There is plenty of natural light throughout, and all windows are fitted with double roller blinds. This home, built by highly regarded local building firm Maveric Builders, is sure to impress
