Perfect for a family or the savvy Investor, this three bedroom weatherboard home sits proudly on a corner allotment and has been freshly painted throughout. Your year round comfort is assured by a split-system air conditioner and a brand new gas hot water system has been installed at the property. There is a large single garage at the rear with a generous garden and lawn out the front. 5 Churchill Street is located very close to primary and secondary schools, kindergartens, multiple playgrounds/reserves and shops and the close location to bus stops means access to and from the CBD is easy. If you are in the market for a very affordable home, this one should be on the top of your list! Contact Homeseeka Real Estate today to arrange your own private viewing.
