Located in the Omeo township with a sunny aspect off the front verandah sits this well maintained and comfortable country residence. The home offers an open living area with high ceilings and both wood fire and gas heating, a large kitchen with plenty of storage and a walk-in pantry, 2 bedrooms downstairs and a further 2 bedrooms in the loft space. The neat & tidy bathroom has access from the hallway and the large master bedroom. Outside there's a patio area for BBQs and relaxing, a full-length verandah along the front of the home to catch to sun, a large carport with high clearance for the motorhome, a good size backyard and garden shedding. This charming property is well worth an inspection!
