\$620 per week

While this home retains its classic triple-fronted, orange brick façade, its interior has been improved in recent years, and only asks its new tenants to move in and enjoy it all. Inside, neutral paint tones, polished hardwood floors, and an abundance of natural light enhance features including a generous lounge and dining room, as well as a family/meals area and adjoining, updated kitchen with a walk-in pantry. There are 3 bedrooms with built-in wardrobes, as well as a stunning renovated ensuite and family bathroom; complete with up-to-the-minute styling. Ducted heating, evaporative cooling, and a large split system air conditioner do a great job controlling the climate, while outside, you'll find a raised and covered alfresco deck; overlooking the spacious yet easily maintained gardens and rear set double garage with ample off-street parking. In the increasingly popular Brentwood Secondary College catchment area (STSA), this home is within walking distance to buses, Brandon Park Primary School, and Shopping Centre; with Jells Park, the Monash freeway, and Mazenod College also nearby. • 3 generous bedrooms • Renovated interior • All 3 bedrooms with built-in wardrobes • Hardwood floors • Ducted Heating, Evaporative Cooling, and one split system • Decking area looking over the large backyard • Double lock up garage Photo ID required at all open for inspections.
