Acreage lifestyle at it's finest. This stunning house was built in 2013 by highly sought after Michael Case Homes. The current owners commissioned the build as their forever home so attention to detail is second to none from inside to out. This is the perfect opportunity for families, first home buyers, and young couples looking for their dream home with all the modern necessities included. Situated in the acreage lifestyle suburb of Bluewater Park, this 4,388m² property boasts a spacious layout with 4 bedrooms and 2 bathrooms and undercover parking for 6 cars. Inside the house, you'll find a range of modern amenities that are sure to impress. The kitchen is a key feature and is complimented by its stone benchtops, a chefs 5 burner gas cooktop, dishwasher and larger than life walk in pantry. The kitchen floorplan allows for making meals a breeze whilst interacting with the household members, creating truly memorable family events. The master bedroom comes complete with bay windows, an ensuite featuring twin shower heads and a walk in robe. The 3 other bedrooms are larger than standard and all have built-in wardrobes, air conditioning and ceiling fans. One of these bedrooms is perfect to act as a media room if 4 bedrooms are not required. The main bathroom is designed with families in mind with a separate shower and bathtub. The centre of the home is impressive with open plan lounge and dining and elevated cathedral ceilings. Outside, you'll discover a true oasis. A sparkling swimming pool awaits you on hot summer days - perfect for cooling off and entertaining friends and family. Everyone will want to be your friend when they hear about your bar and pizza oven. This is a genuine entertainers paradise. There is an approx. 7x14m undercover parking space that will accommodate 4 vehicles. Or a combination of cars, boats, trailers or caravan. Separate to this is the dream workshed. Appox 12x 14m under roof. Included is the car hoist and lockable storage. Stay comfortable year-round with air conditioning throughout the property. Plus, take advantage of solar panels to help reduce your energy bills. The property is fully fenced with access to the property via the remote control front gates, ensuring privacy and security for you and your loved ones. The grounds are kept green with the automated irrigation system and kept secure by the 4 x hard wired security cameras.
