Occupying a sunny 588m² block in a convenient location close to school, shops and bus stops, this four bedroom family home has multiple living spaces and is ready to move right into. The first floor offers a spacious living room that flows through to the functional kitchen with a dishwasher and plenty of storage, and out to the dining room/sunroom that has wide windows which showcase the great view. External stairs lead down to the covered entertaining area and the vast grassed yard that is fully fenced, making it ideal for children or pets. All four bedrooms are found on this level, with three having built-in robes. The main bathroom has floor-to-ceiling tiles and there are floorboards and downlights throughout. A tiled rumpus downstairs with its own access ensures the floorplan of the home is versatile, and there is abundant underhouse storage or workshop space. A laundry and additional toilet at the rear of the rumpus is cleverly located behind sliding doors. Parking is provided in the single carport.
