This immaculate family home enjoys an elevated position in a quiet cul de sac surrounded by established quality homes. Entering this lovely substantial two-storey home, you are immediately struck with the quality build. The tiled entry opens into a cosy lounge room that enjoys pretty views toward Gordons Hill. The floorplan flows through to the open-plan dining and kitchen area with peaceful views over the landscaped backyard. The blackwood kitchen is fully functional featuring a large pantry and plenty of bench space. Off the kitchen is the separate laundry that accesses the covered back porch, a lovely space to rest at the end of a long day. You have three generous bedrooms upstairs, two with built-in wardrobes. The separate toilet and three-piece bathroom service these rooms. Downstairs is complete with a large rumpus room/4th bedroom, workshop plus a single garage. This area is extensive and ideal to add your second bathroom or further living (STCA) - an ideal teenager's retreat. The internal access to the upstairs links these two levels. Certainly, a fabulous property one you will not want to miss!
