Very neat home consisting of 3 bedrooms with built in robes & ceiling fans plus a study and two living areas. Situated close to shopping, hospital and sporting facilities on a 733m2 allotment. The front lounge room includes a gas log heater creating a cosy area to relax. This living space and the master bedroom also includes reverse cycle split system air conditioners. The second living space is at the rear next to the master bedroom with glass sliding doors opening to the outdoor undercover area. The kitchen has gas cooking, a dishwasher & overhead cupboards for extra storage. This well maintained home has updated floor coverings through out. Driveway access along side to older shed at the rear. Spend a little and save a lot here. <https://www.consumer.vic.gov.au/duediligencechecklist>
