With no shared driveway or grounds, and a double garage with internal access, this smaller Legana property is much better than a 'normal' unit but with the 'normal' unit features you would expect. Modern styling throughout, the home features open plan living incorporating a family sized kitchen and a designated dining room that opens onto the outdoor entertaining space. Both double bedrooms offer built in robes and there is a full bathroom and a separate toilet. There is excellent storage, reverse cycle air conditioning and it is lovely and sunny. Positioned on a smaller block, and well landscaped for minimal care, the enclosed and incredibly private yard is bordered by a block work garden edge and established trees. There's even a feature apple tree and a wonderfully productive lemon tree. Ideal for smaller families, or perhaps those starting their property investment journey, this lovely home is well worthy of your inspection. Howell Property Group has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee its validity. Prospective clients are advised to carry out their own investigations.
