Set on an impressive 830m² block, this family home boasts an array of features that make it stand out! Located in a quiet residential street, 5 Darri Drive is only a short walk to schools, parks, a supermarket, a pharmacy and a tavern. Upon entering this lovely home, you are greeted by the open living and dining room. Featuring a wood heater and wood-look hybrid flooring, this space is ideal for the whole family. The wood-look hybrid flooring, continuing throughout the house not only adds a touch of elegance but also ensures easy maintenance and durability. The neutral colour palette and modern fixtures enhance the property's appeal, allowing you to add your personal touch effortlessly. This home comprises three bedrooms, each fitted with built-in robes, all spacious and well-lit, providing a perfect retreat after a long day. Along with a full family bathroom, the master bedroom is complimented by an ensuite. Ducted evaporative cooling and a gas wall heater provide temperature control year-round. A highlight of the home is the enormous fully built-in secure sunroom, equipped with another wood heater, making it a cozy and inviting space throughout the year. Whether you want to bask in the sun's warmth, or enjoy a cup of tea by the fire on a chilly evening, this sunroom offers versatility and comfort. The front yard has been carefully landscaped for low-maintenance living, whereas the backyard has been planted to create a tranquil oasis. The mature fruit trees provide an abundance of fresh produce, allowing residents to try their hand at preserve making! 5 Darri Drive is meticulously maintained and beautifully presented. The exterior and interior have been cared for with attention to detail, leaving no stone unturned in ensuring the home is in pristine condition. Call now to secure your inspection!
