This red brick house sounds like a serene haven! Its open-plan design and abundance of natural light make it a charming living space. The three queen-sized bedrooms, each with built-in robes, offer comfortable accommodation, especially with the convenience of two bathrooms. The modern kitchen, equipped with electric cooking, is perfect for preparing meals, while the separate formal lounge and dining areas provide distinct spaces for various activities or relaxation. The wood fire and split-system heating and cooling ensure year-round comfort, a must for any cozy retreat. The property's exterior sounds just as appealing with its low-maintenance lawns and gardens, allowing for easier upkeep. The large powered shed, complete with reverse cycle heating and cooling, offers versatility and extra space, while the carport and rear yard access to the shed add practicality. And let's not forget the location! A 30-minute commute to Wagga might make it the ideal balance between peaceful family living and accessibility to amenities. It seems like a lovely place, appealing to those who appreciate comfort, functionality, and a tranquil lifestyle. Please note the Solar Panels do not work.
