\$530,000

When you're searching for a family sized home, it's not always easy to find one with the space you need and the features you'd like. Problem solved. Not only is the allotment a generous 1065*sqm, but this 5 bedroom, 2 bathroom home is sure to fit your needs. The home is fully air-conditioned and boasts a quiet cul de sac location. The main living room, just one of two separate living areas, is spacious and filled with natural light and allows access to the undercover entertainment area. The kitchen is positioned with convenience in mind and the practical design allows the chef to be involved with family or guests. All but one of the five bedrooms are air-conditioned. All feature built-in robes and ceiling fans. The master bedroom has an abundance of storage options including a walk-through robe into the ensuite. There's a separate office nook which separates the bedrooms from the living areas providing a quiet space for students or workers. A large powered shed has high clearance roller doors with a double carport located at the front. The home also has a solar panel installation to assist with energy bills. The large back yard has plenty of space for the kids and pets and an assortment of fruit bearing citrus trees. Family sized living in a family friendly neighbourhood. What more could you ask for? • Council Rates - \$2475* / 6 months • Private inspections by appointment. Call Sharon Gallagher at Ray White Biloela.* Approximately
