An extensive list of features and exclusive community surrounds make this masterful townhouse an outstanding acquisition. Boasting a triple-storey layout conceived to create an enticing level of liveability, this property promises to impress. The smartly designed interior begins on the ground floor that features a single garage, sizeable home office, stylish shower bathroom, laundry, and abundant storage. One level up, open plan living with an urban loft-like feel serves as the heart of the home. Seamless flooring lines the lounge, dining area, and kitchen with subway tiles, stone benchtops, gas cooktop, peninsula seating, exposed brick feature wall, and double-storey void looking up to the top floor. For an indoor-outdoor flow, step directly out to your private balcony that is ideal for relaxing in the warmer months to come. Upstairs, there are 2 spacious bedrooms provided, including one that enjoys an ensuite-effect connection with the soaking tub bathroom with floating vanity. For a brilliant blend of contemporary style and a key location near Altona Gate, AW Bond Reserve, GJ Hosken Reserve, bus transport, and Bayside P-12 College & Emmanuel College, this property is the one for you. Inspection will impress so plan your viewing today.
