Maintaining all the charms of the circa 1930's Bungalow, the renovation offers brand new kitchen with stainless steel cooking appliances, and sparkling bathrooms with walk in shower and bath tub. The two main bedrooms, serviced with built in robes and plush new carpets, offer an abundance of space, with oak flooring to the rear bedroom and serviced by second bathroom/laundry with bath tub. Additional features include near new split system and ducted heating, off street parking for up to 3 cars, shed for storage and so much more. Full of potential less than 8km to Melbourne's renowned CBD, it's moments to Melville Road's #58 tram, popular eateries, Shore Reserve, Moonee Ponds Creek Trail, multiple schools with Strathmore Secondary College zoning and the CityLink.
