Built to exacting standards within a new and unique residential development in Baranduda, this great townhouse is perfect for purchasers seeking executive style living without the burden of ongoing maintenance. Located adjacent to and overlooking a lovely community recreation area this townhouse has a total living area of 14.53 Squares over 2 levels providing ample room for couples or a small family. The ground floor consists of 2 queen bedrooms serviced by a bathroom and toilet and a spacious living area that leads directly to a secure courtyard at the front with a larger second courtyard to the rear. The 2nd level offers a king bedroom with adjoining 2-way bathroom, large superbly appointed kitchen with a great family room and balcony with northerly views. A double lock up garage with rear lane access completes the package.
