

5 Dolphin Crescent, South West Rocks, NSW 2431

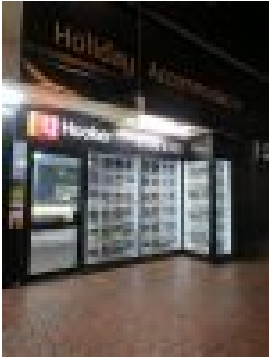

Residential Land For Sale

Thursday, 11 January 2024

5 Dolphin Crescent, South West Rocks, NSW 2431

Area: 1495 m2

Type: Residential Land

Ken Tassell

0265666313

\$450,000

Situated in the quiet cul-de-sac known as Dolphin Crescent and on the high side of the Street is this amazing 1495m² vacant allotment. With council approval, the generous size allows for residential development, a possible subdivision or a great place for the dream home. The elevated site has a great Easterly and Northerly aspect with views over the Pacific Ocean and South West Rocks. Block like this one are nearly a thing of the past.
