\$920,000 - \$980,000

Generously proportioned yet very easy to maintain, open the door to carefree contemporary living in the heart of Mitcham with this immaculately presented home. Footsteps to Mitcham Primary School, Mullauna College, buses and Halliday Park and only moments from Mitcham train station, Britannia Mall shops and cafes, Mitcham Private Hospital and the Eastern Freeway/EastLink, the everyday convenience factor is truly five-star and easily caters for a range of lifestyles. A favourable single-level design coupled with a private fully-paved and therefore very low-maintenance courtyard will appeal to downsizers and those with little desire for high-maintenance gardening, while living with the luxury of two separate living areas is ideal for the young couple with an eye on the future and growing family craving space on a manageable scale. Awash with natural light, beautiful polished timber floorboards add style and substance throughout the radiant lounge and family living; stone benchtops, stainless steel appliances and plentiful storage deliver plenty of wow factor to the modern kitchen. All three bedrooms (ensuite to main) are generously proportioned and serviced by a deluxe central family bathroom; ducted heating, split-system cooling, abundant storage and a remote single garage with an additional parking space in front are further highlights.
