Australia's leading architects and builders; Basset Lobaza Architects & TruForm, present a masterful collaboration in this boutique 3 Bedroom home in the central family quarters of Williamstown. Just moments from The Strand and Douglas Parade shopping precinct, this sophisticated designer home casts deluxe entertainment quarters upon a vast open plan design with contemporary square-set plaster and hydronic heating and under-slab heating cast in polished concrete floors. Boasting a professional gourmet kitchen with Miele appliances, designer cabinetry and Deluxe Range stone bench tops (also feat. in laundry & bathrooms) overlooking an immersive lounge/dining with indoor/outdoor living, timber decking and detailed garden landscaping and paving. Providing ample private seclusions on the first floor with luxury accommodations featuring custom BIR's in all bedrooms, designer ensuite in the master, lush carpets, skylights and two balconies. Complete with gas-boosted solar hot water services, split system cooling, double-lock-up garage and counterweight tilt door with garden entry; this exceptional opportunity to invest in revered designer living is bound impress and will not last long.
