This meticulously renovated home offers spacious interiors alongside the tranquillity of an all-weather alfresco living space the like of which we rarely see. Spread out over a large block, this family residence combining indoor appeal and outdoor attraction has been thoughtfully updated to offer easy, modern living.

Living spaces The heart of the home is found in the huge alfresco which offers yearlong opportunities for family dining and entertainment; highlights include a premium Melbourne Fire Brick pizza oven and cosy wood fire which bring a delightful ambience whilst an outdoor kitchen makes preparation and clean up a breeze. An outdoor bath surrounded by luscious greenery encourages you to relax and melt the stresses of life away. A split system and evaporative unit guarantee easy all-year comfort. The bright, spacious kitchen presents a vast stone benchtop, glossy splashbacks, and an array of cupboards and drawers making clutter-free living a breeze. The kitchen overlooks the dining space, living room, and alfresco ensuring a community feel in these spaces. Additionally, an extra living space offers opportunities to create a retreat or office space and is perfect for those working from home or needing an area for study or creative interests.

Bedrooms There are four comfortable robed bedrooms with the master bedroom leading to a freshly renovated ensuite and convenient walk-in robe. One of the bedrooms offers sweeping doors to the secluded garden area offering a perfect opportunity for a private grassy retreat.
