**\$425,000**

Located in a quiet street in Lidsdale, just 10 Minutes drive from Lithgow, this neat home is a perfect entry level property. The floor plan features 3 bedrooms, a timber laminate kitchen with electric stove, a lounge room with gas heater, and a neat bathroom. The 929 square metre block is level and easy care, and there is plenty of car accommodation with an enclosed double carport and a single garage with workshop. Great scope for renovation and an opportunity to add value.\* Available for inspection from Wednesday 27th December by appointment.
