\$685,000

Tucked away in a private enclave, this idyllic residence offers an exciting opportunity for purchasers looking for comfort and convenience. A short stroll from parkland, schools, public transport, and Parkhill Plaza. With a lovely street appeal, the residence is immediately welcoming. The Homestead character retains warmth and charm. Comprising of three light-filled bedrooms, serviced by a family bathroom. A light-filled living room features an open fireplace, along with ducted heating and cooling. Adjoining is a hostess timber kitchen with quality appliances that opens to a covered outdoor entertaining deck. Encompasses a yard of greenery, with ample room to relax. Complete with single car garage, plus separate carport provision along with a secure yard. This property delivers upon a fuss-free lifestyle, beautifully located. The perfect domain for the first home buyer or those wanting to downsize yet still retain a level of independence.
