\$800,000 - \$880,000

Sized-up, spotless and set in a corner position, this single-level home has more polish than many, more sun than most and more accommodation with a genuine third bedroom! One of the larger homes in the coveted Pagewood Park Estate, this immaculate three bedroom residence is scaled up with soaring vaulted-ceilinged lounge/dining stepping out to a generous covered entertaining area and robe-fitted double bedrooms in their own quiet wing. Optioned up with a clever little study nook for the super-sized master bedroom, there is more storage with a WIR and hall-cupboards in addition to built-in robes, more ease with a separate WC for the clever two-way bathroom and more extras including in-floor heating, reverse-cycle air-conditioning, ceiling fan and an auto-entry double garage. There is even more chance to get to know the neighbours with shared facilities including a pool, tennis courts, croquet lawn and community hall! With ready to rent or enjoy presentation for today, there is also room for a value-adding makeover down the track! A walk to Southland and Waves pool and gym, with local shops close, this is super-sized single-level living and so much more!
