\$670,000

Nestled within a serene family-friendly court on a surprisingly large allotment, this charming 3-bedroom residence has been subtly modernised to offer the utmost daily satisfaction, while maintaining a prime canvas to craft the home of your dreams, with its possibilities limited only by your imagination. An expansive living and dining area flows over timber-look floors, wrapping around to a classic laminate kitchen with a unique breakfast bench and a suite of quality appliances. Sliding doors sweep open to a covered deck and significant rear yard, offering endless possibilities for a sparkling pool, a generous workshop, or a large garage (STCA). Three robed bedrooms are connected via a central hallway, including the main bedroom with a walk-in robe and ensuite - a welcome bonus for those with modern aspirations. Split-system air conditioning, ducted heating, and ceiling fans add everyday comfort, while its location is perhaps its most appealing aspect, central to the very best of Carrum Downs, including St Joachims Primary, Carrum Downs Shopping Centre, Carrum Downs Secondary, public transport, beautiful parklands, and easy freeway access.
