Luxurious entertainer's haven inspired by the Hamptons, designed without cutting any corners! This remarkable 4-bedroom, 2-bathroom family home embodies the exquisite style of the Hamptons, creating an awe-inspiring display of resort-like excellence. Meticulously designed, every graceful detail of this former display home prioritizes privacy, security, and top-tier craftsmanship. Nothing has been left to chance! Spanning two luminous levels and an impressive 41 squares (approx.), a sense of welcoming depth unfolds, leading to a formal lounge that exudes warmth. The seamless layout effortlessly guides you through an expansive design, complete with a dedicated space for spacious living and dining. This revolutionary living area becomes a highlight when hosting gatherings. The flawless kitchen showcases sleek stone surfaces, a commanding island bench, and high-end appliances, including dual wall ovens, a 5-burner gas cooktop, and a dishwasher. This chef's paradise is elevated by self-closing cabinets, a tiled backsplash, and an extensive butler's pantry for enhanced preparation and storage. Crafted for effortless living, a range of exceptional additions sets a new neighborhood benchmark. Experience a harmonious connection between indoor and outdoor spaces throughout the seasons, thanks to a perfect duo of covered alfresco areas, purposefully designed for everyday living, dining, or grand celebrations. Skylights grace the master bathroom and upstairs retreat, infusing natural light into these spaces. Journey upstairs to a sprawling retreat, an ideal venue for entertainment or peaceful solitude.
