Superbly situated on a serene no-through road in footsteps to Woodlands Primary School, this sun-filled abode pairs comfortable dimensions with pristine presentation to deliver an enticing package brimming with family-friendly appeal. Positioned on a 525m² (approx) flat allotment encircled by mature boundary trees, the brick-veneer home features elegant separate living and dining zones across a well-designed single level. In the heart, a stunning contemporary kitchen is a cook's dream with a gas cooktop, a stainless-steel wall-mounted oven and dishdrawers, along with generous storage and counter space. Soft tones, woodgrain flooring and sheer curtains provide a calming ambience, while glass doors and plantation shutters off the tiled dining zone open to an expansive covered alfresco patio with abundant room for lounging, dining and barbecuing with family and friends. The timeless sophistication continues in the master bedroom, which features bay windows and a private ensuite in this very practical layout, which includes a full second bathroom for the kids, along with gas heating, a split-system, ceiling fans throughout and a double carport. Just 700 metres from Langwarrin Plaza and zoned for Elisabeth Murdoch College, this charming residence will also appeal to couples, landlords and downsizers seeking a move-in-ready home waiting to be enjoyed.
