Less than five minutes from Murphy Street, with just one neighbour this rare 2800 m2 site takes in Mt Buffalo views and a peaceful rural outlook. Indeed a rare find, so if you are looking for space, convenience of location together with a spacious four bedroom or three/study family home then this could well suit all your needs. The spacious dwelling has high ceilings with attractive feature timber finishes including some polished timber flooring. The fittings and fixtures include a Coonara heater, split system air con, instant gas hot water and second loo. The dwelling has been rewired. The large very accessible site allows for lots of recreation options with vehicle accommodation provided by two carports plus two excellent sheds with power connected and powered roller doors. Water is supplied by renowned excellent well. Call Brett Goodwin on 0408 574 966 for more information!
